Someday you'll realize that time has slipped away and you aren't able to gather all the memories you have from the past so . . . the good times and the bad times, the laughter, joys and sorrows shared with your friends should be stored away in your heart and reminisced about occasionally. Like photos from an album, your picture memories of Bennett will return again and again to give you pleasure and happiness in the years to come.

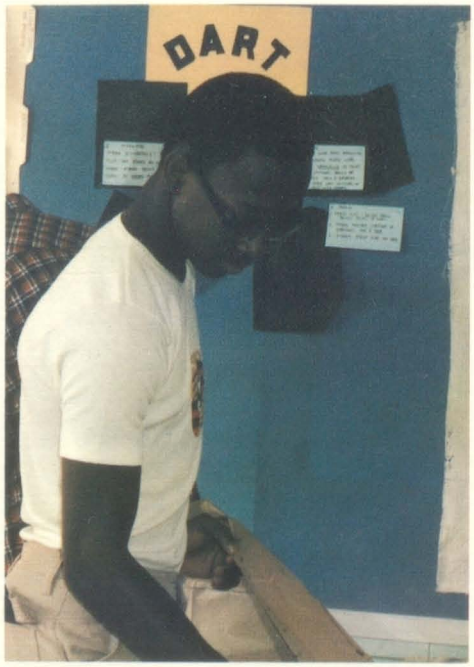
My outstanding memory is sharing the experience of a warm and loving atmosphere.

Bryant Renggold

Memories are moments meant to be hidden in your heart and shared with others later.

I remember 9th grade with all the times getting lost in the halls

Charlene Dashiell



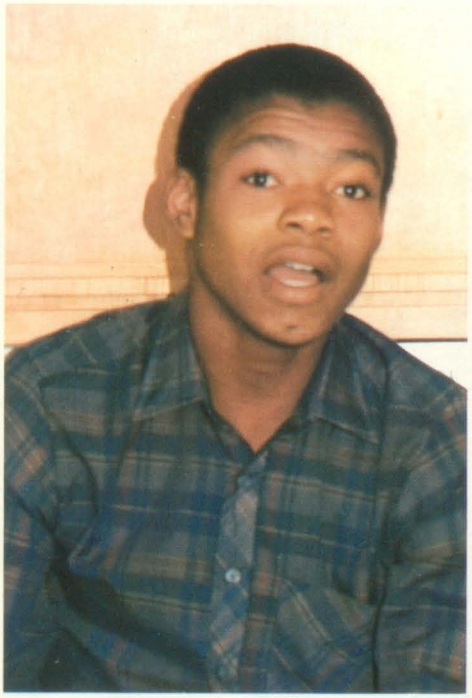
The people are the most memorable things that made me feel at home.

Kim Robinson

Gather the moments you want to remember and collect your dreams of today, for these are your memories of tomorrow . . .

The friendship of my fellow classmates and teachers —

Valarie Bohler

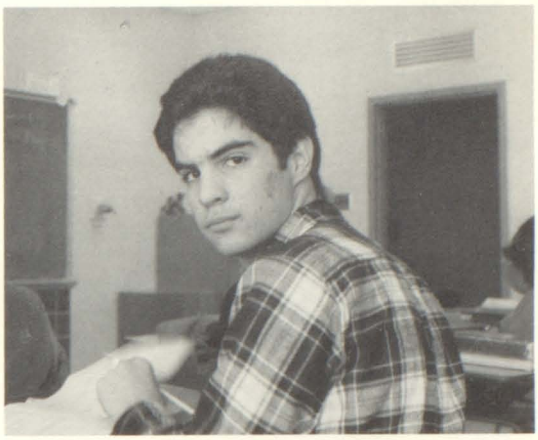


My most outstanding memory being: on the cheerleading squad.
Vicki Brichous

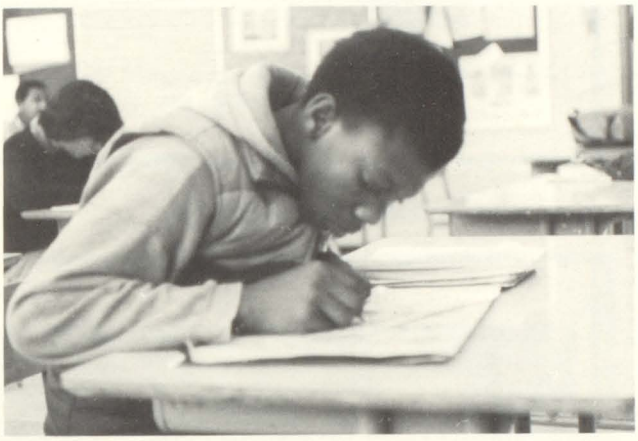
Memories are imprints in the sands of time. They'll remain forever in our minds.

I have so many memories it's hard to choose one.
Meg Briddell

Memories are: the laughter,



surprises,



the hard work,

friendships and

the confusions

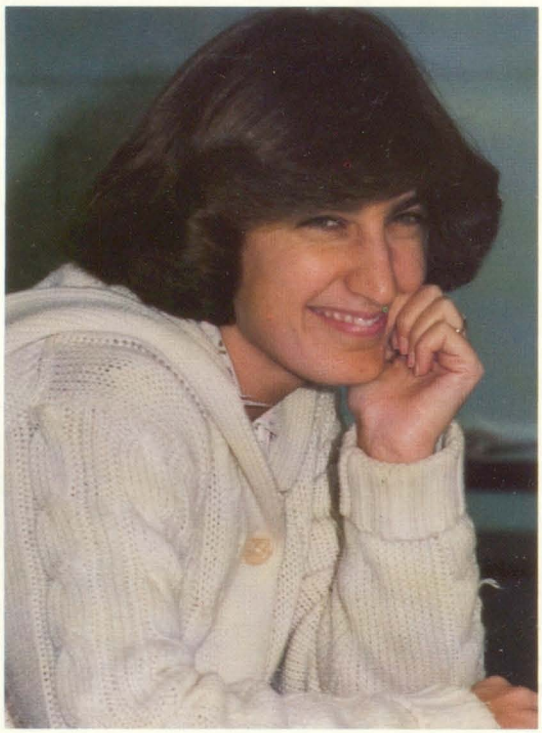
of your lifetime.

The fine memories of the past will build castles for the future.

Memories of the year:

$1.27 a gallon for gas.

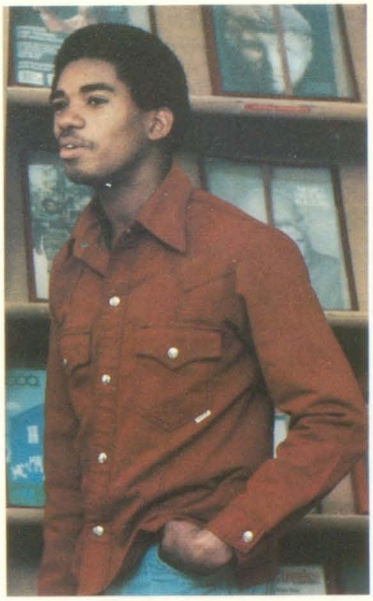
This year travelling through high school may be new to some or to others a familiar friend.



MGM and The Hilton disasterous fires.

American hostages released from Iran.

Ronald Reagan, the oldest man to be elected to the office of President.



20% interest rate,

The obstacles and rewards are hidden along our path. Every day our experiences shape and influence —

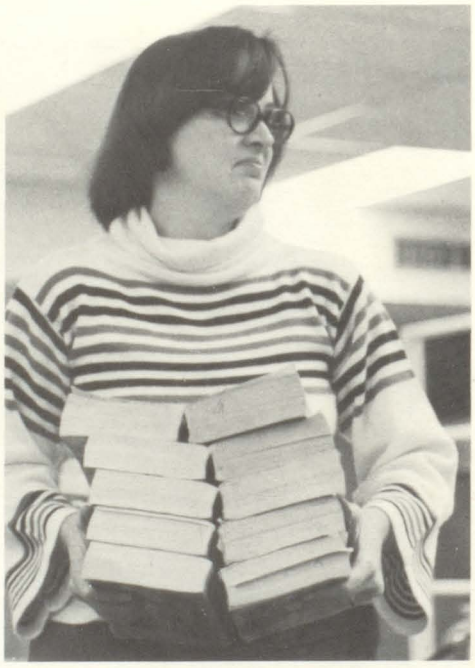
High increase in food prices and heating fuels.

The devastating earthquake in Italy.

Will you remember . . .

preparing for food fights,

gathering with friends for a good time,



the friendly faces,

the type of person each will become, the experiences will become our memories of the future.

getting lost in the halls,

the crazy experiences

the good friends and . . .

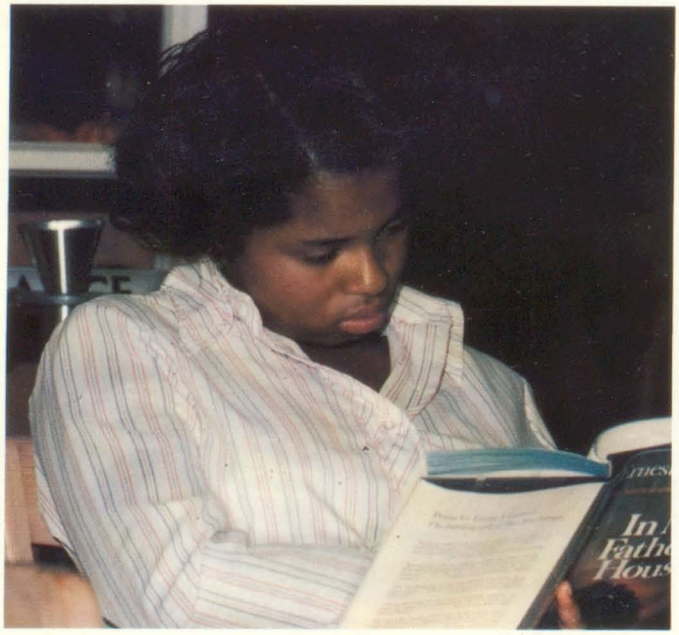
good times shared?

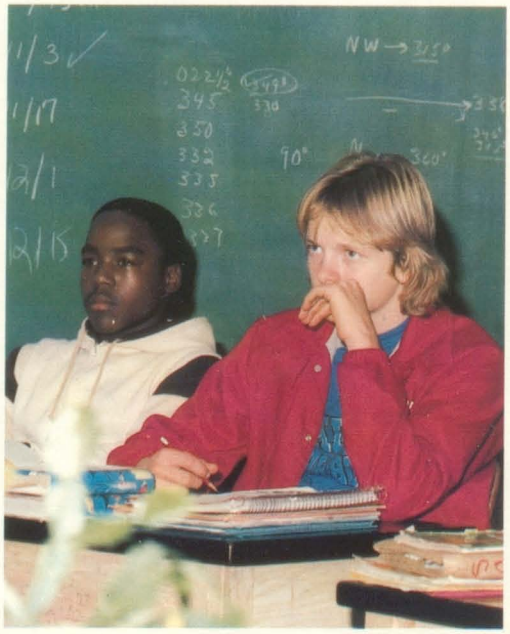
In June, after finishing a year of high school, each student has discovered something new.

I'll remember just being a part of things. My classmates, my peers and the faculty, "Living life to the fullest!!"

Andy Franks

Some students may return next year, others have completed a portion of their lives.



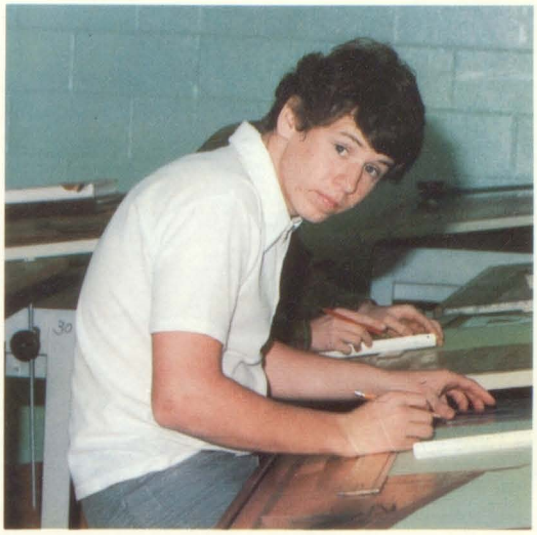


My most memorable memory will be leaving for the last time and watching JMB fade away in my rearview mirrow.

David Guy

Memories are what will keep your rocking chair rocking.

Mr. Reed



Everyone will continue to search and discover until their life's fulfilled. Their memories will live on . . .

Memories are time well spent.

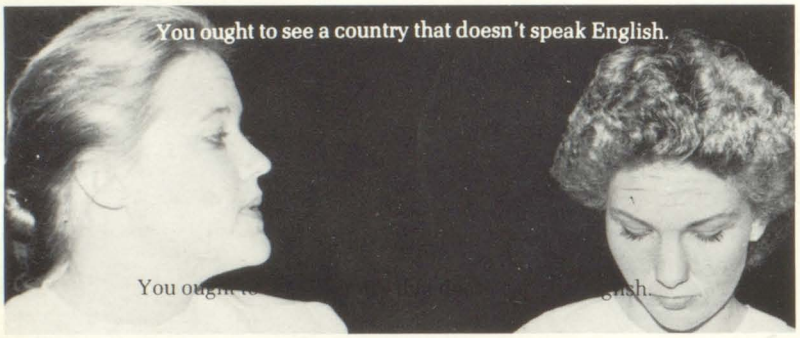
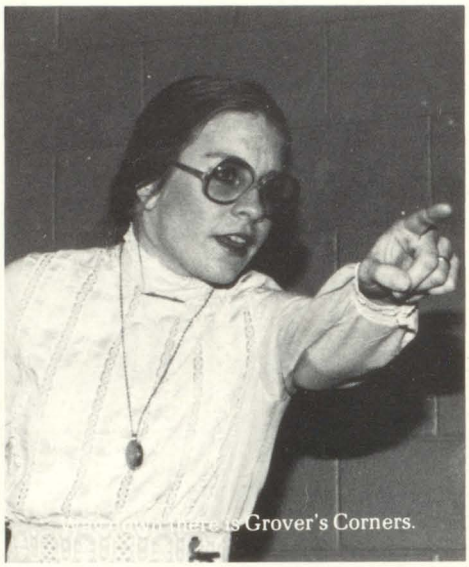
Our Town

Our Town was presented by the Senior Class of James M. Bennett on November 19 and 20, 1980. It was directed by Anna W. Carey with technical direction by C. Benton Reavis. Memories are plentiful whenever a group of people do a show. The cast and crew of *Our Town* will have many memories, some shared and some personal. We can all remember Michelle Lugassy's beautiful voice from the back of the auditorium cooing, "Mr. Webb, Mr. Webb . . ." and Julie's feeble attempts to string beans. We may forget where Kevin and Graham left the set, but we'll never forget the first time that the door opened correctly and how it felt the first night that the people in the cemetery didn't move. "Hot Mama" and Brad taught us how to "really" kiss and that, we'd better not forget. Remember the sound cues? Oh well, you probably missed them anyway. There were many birthdays during the show, some were celebrated others were not. "Let's all go to *Burger King* after rehearsal." Remember all of this and more makes for the memories that "light the corners of my mind."

People are supposed to live two by two.



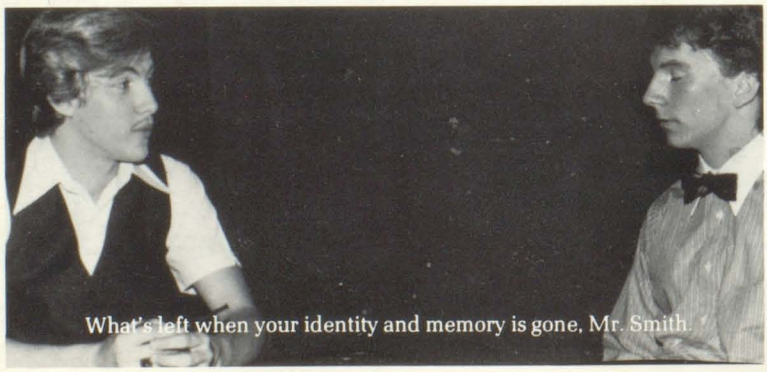
You ought to see a country that doesn't speak English.



Grover's Corners.

I'd rather have my children healthy than bright.

Oh I see, in square yards of wallpaper.



What's left when your identity and memory is gone, Mr. Smith.

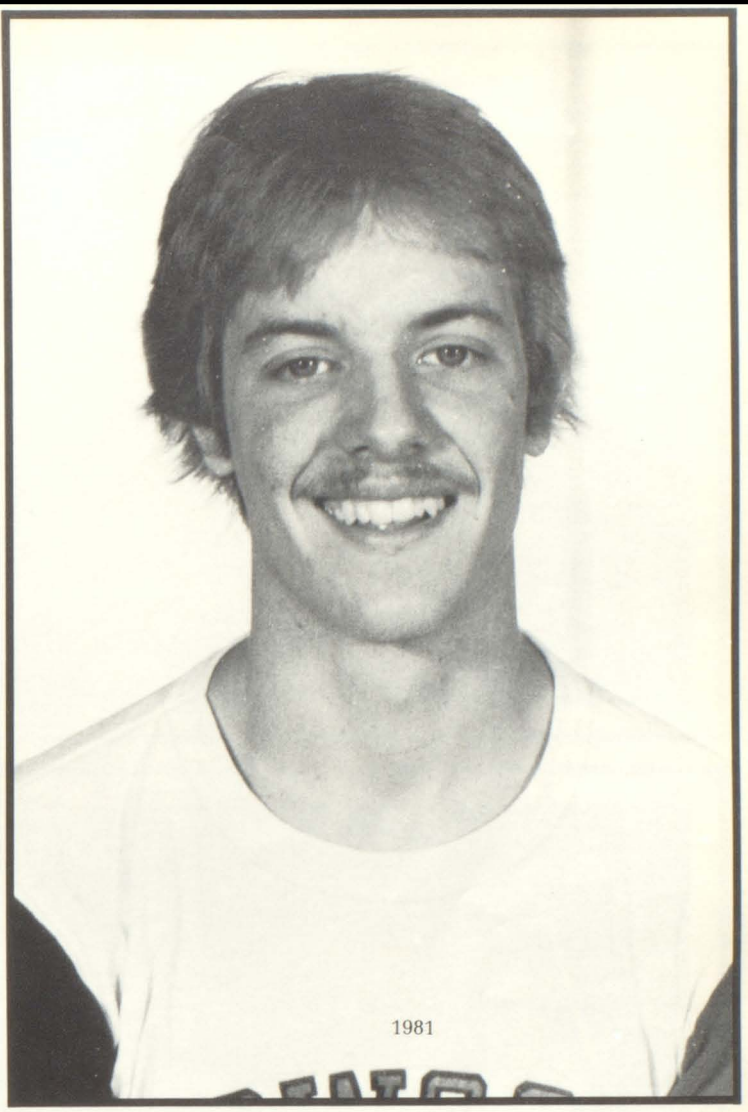
A FRIEND REMEMBERED
By Carolynn Campbell

It is difficult to comprehend when a young life is ended, particularly one that was so special to so many people.

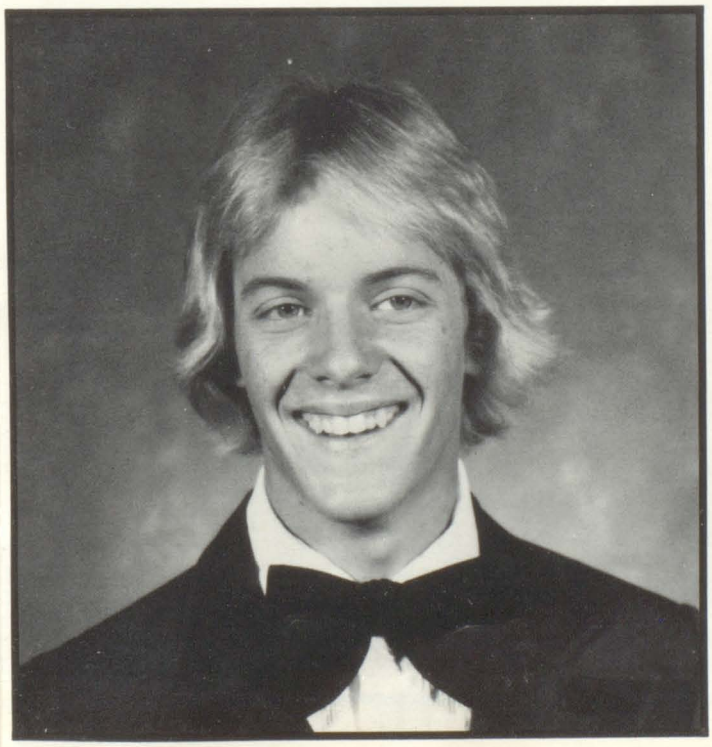
Danny loved his family, respected his friends and devoted his life to God. A member of the J. M. Bennett track team, Danny pushed himself through practice not only for his school, but for himself. Once, he was heard to say: "I like the feeling you get after running hard . . . it gives you a feeling of accomplishment!"

An active member and former President of the Episcopal Youth Councilmen at St. Peter's Church, Danny proved to be a responsible person and leader who cared about his friends and his and their relationship to God.

It is not our place to question WHY this happened . . . we only need to say a prayer and Danny will always be close in our hearts.



1981



. . . Character survives; Goodness lives; Love is immortal.

PROM — 1981

"The Long and Winding Road" was the theme for this year's Senior Prom which was held on May 8, 1981, in the Wicomico Youth and Civic Center. The interior was accented by a unique hand-made gazebo; created by a few hard-working Senior boys. It was decorated with beautiful plants, azaleas, and white wrought-iron garden furniture. The Seniors and their guests danced to the music of "Fresh" from 8:30 until midnight with the Grand March at 10:00 p.m. Afterwards, the breakfast was held from 12:30 until 2:00 also at the Civic Center.

1971

In 1966 James M. Bennett Senior High School had its first Homecoming celebration with its first queen and court. The Homecoming queen for that first Homecoming was Sharon Cannon Dashiell followed by Nancy Hess in 1967, Patti Bloodsworth Schuster in 1968, and Sally Cannon in 1969. Kathy Sowards began a new decade as Homecoming queen in 1970. Noreen Jones in 1971, Sallie Grier Dellinger in 1972, Teri Minner in 1973, Karyn Shave Layton 1974, Donna Lupean in 1975, Martha Moore in 1976, Teri Quatman in 1977, Joni Leonard in 1978, and Leslie Hooks in 1979. This is a memory that these girls and their courts will carry throughout their lives, because it is an honor to be a Homecoming queen and on the Homecoming court. These memories will last forever.

A Happy Moment

This year Bennett's Homecoming weekend was held October third and fourth. Friday night's festivities included the Homecoming football game. Our mighty Clipper football team sailed over Central High with a hard fought victory of 13-12. Because of rain the parade and crowning of the queen were postponed until Saturday. The theme for the weekend was "SAILING". Capturing first place in the float competition were the Freshmen with their version of Sailing.

Karen Carlson was crowned 1980 homecoming queen by last year's queen, Leslie Hooks. Saturday night the Homecoming dance was held featuring the great sounds of "Razor". Our queen presided over a court of two representatives from each class. The senior attendants were Vicky Brickous with escort Benton Barkley and Trina Henry with escort Gary Bailey. Followed by the juniors Candie Smith with escort Gary Flower and Ellyn Hogg with escort Mike McFarlin. Julie Webster with escort David Hughes and Denean Church with escort Josh MacIntosh were the sophomore attendants and Carol Culpepper with escort Mike Phoebus and Etah Johnson were the freshman attendants.

AFS

International Intercultural Programs

The Bennett Chapter of the American Field Service got off the ground in September by electing officers. Ronnie Fisher, a returnee from Bolivia was elected President while Robyn Winship and Meg Webster were elected to the positions of Vice-President and Secretary-Treasurer. The club first sponsored a "Mile of Pennies" campaign to raise money for our Foreign Students. Meetings were held at night each month for Club members to meet and talk with both Nacio and Michelle. Returnees Ronnie Fisher, Kirsten Huber from Chile and Karen Daughtery from Australia also gave talks and explained about their trips abroad. The week of March 16th was proclaimed *AFS* week by Mayor Ruark. On Saturday 21st, the AFS Chapter sponsored a Radio Auction on Radio station WJDY, in which the club members participated. Other activities were *the Rotary* Day Assembly in March and the *AFS* car wash in April.

With the support of Mrs. Hayne, our Advisor, Bennett has had two students from another country, 3 students returning from overseas and 4 students traveling abroad for this year. This in itself is a stunning tally.

L.-R. Ron Fisher, Bennett *AFS* President, Nacio Bermejo, Michelle Lugassy, Mayor of Salisbury; Elmer Ruark, Mrs. Huber; Kirsten's mother, and Karen Daugherty.

This year Bennett hosted two foreign exchange students. Ignacio Bermejo, left, from Spain was hosted by Mr. and Mrs. Boyd Dolbey Jr. of Nanticoke. Michelle Lugassy, right, from France was hosted by Mr. and Mrs. Morton Owrutsky of Salisbury. Both Nacho and Michelle came to Bennett as seniors and added flavor and richness to Bennett's school life. Nacho was an active member of Bennett's soccer team while Michelle was in the spotlight in the senior class play, "Our Town" and "Annie Get Your Gun."

Also traveling overseas from J. M. Bennett is Shelley Rayne, who is living outside of Durban, South Africa. Shelley's host family has three boys and her parents. She is attending an all-girl, government-run school in Durban. Shelley will return home during January of 1982.

Robyn Winship has been selected to travel abroad during the summer of 1981. Robyn, a senior, wished to travel overseas but without missing her senior year. The summer program is just one of the many programs A.F.S. offers students at J. M. Bennett. Robyn is spending three months with a host family and school in another part of the world.

Meg Webster also participating in the American Field Service has been chosen to travel overseas during the summer of 1981. Meg, a junior, also doesn't want to miss her senior year activities. She is also attending a host school and is staying with a host family. Meg is traveling abroad this summer to stay in Brazil.

Patience, Dedication and Hard Work = One Great Musical!

There is a lot of fun, excitement and hard work that goes into the making of a great musical, especially here at Bennett!

Soon after the Junior Class play, auditions were held for parts ranging from lead singers to backstage parts, such as chorus and stage work . . . all equally important. After the lists were posted, the case and crew became a big family as preparations for another opening night at Bennett got underway. Long before that night, sets were created, costumes were ordered and made, lines were memorized, and music was learned. Also, of course, there were many long hours of practice.

The week of opening night could be described with many adjectives . . . the most popular being "exhausting." Each night 50 to 60 people tried to squeeze into the dressing and make-up rooms as costumes and make-up were experimented with. The whole show was run through from beginning to end, the purpose being "constructive criticism."

When opening night finally arrived, excited laughter could be heard backstage as parents wished their young "stars" good luck in the theatrical style of "Break a leg!" A carefully selected few were thrown into the boys' shower. Presents for our great leaders; Mr. Reavis and Mr. Hammer were chosen and paid for with love.

Amidst all of the laughter and fun, a feeling of tension was unmistakably in the air, for whether you were Buffalo Bill, Frank Butler, Annie Oakley, Dolly Tate or an Indian Squaw, we all shared an equal amount of nervousness. Of course, every part was important, and even more significant . . . we knew almost everyone in the audience!

Being an actor on stage couldn't possibly be as nice as being able to sit in the audience and see the whole show "front on" . . . but being in the audience couldn't possibly be measurable to the feeling of being able to say: "I helped make *that* show one of the best this community has ever seen!"

Class Competition is an annual event to determine which class has the most school spirit. This week was sponsored by the Student Council. It consisted of a Crazy Dress-Up Day, a Dressy Dress-Up Day, a Jock-Jockette Day, an All Sports Night, Hall Decorations, and a Greaser Day. Taking first place by winning four events were the Freshmen. The Juniors took second place, winning the Hall Decoration. In third place were the Seniors who won All Sports Night. Last, but certainly not least, were the Sophomores, winning no events.

The students who participated in class Competition Week will be left with a vivid memory of the enjoyable times they had in high school.

Greaser Day — it's cool man! Hall decorations and dressy dress-up day. Remember! What a nice week!

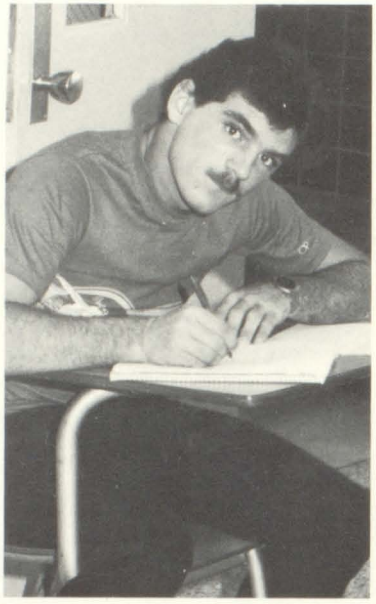
What Will You Be Doing in 10 Years?

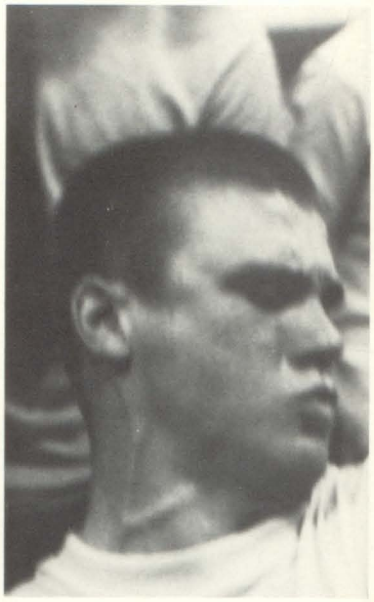
Tony Styles:
In my next ten years I plan to be a professional musician and vocalist. I also would like to record and produce a new style of music. This will occur after I've finished college. During my college life I want to run a decathlon race and win a chance maybe for the Olympics.

Joni Sue Taylor:
Ten years is not a long time away! Ten years from now, I will be finishing up my years at College. I am going to SSC for three years and three more years at a Pharmacy School. After College I will be starting my Pharmacy career and hopefully it will start off right. This career has always interested me and in ten years it should be well under way.

Leonard McGee:
Good Lord willing, I will just be getting my Degree in Law and opening my own Law Office. Leonard McGee Attorney at Law.



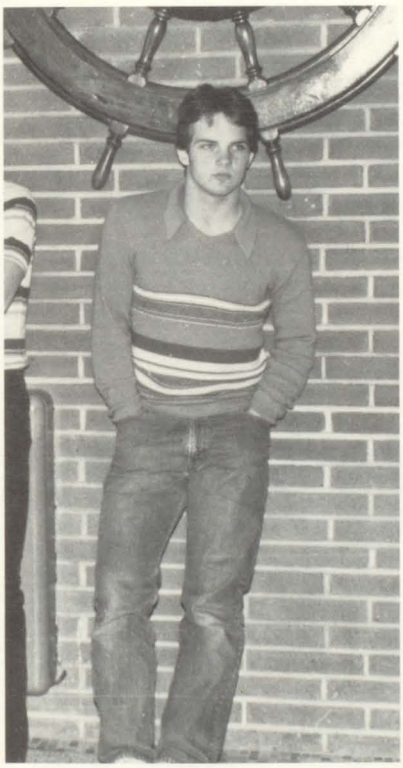
Victor Harper:
Hopefully playing Pro-Football.



Phil Wells:
I plan to do logging, and Lumber Sales in ten years.

Kanwal Singh:
I'll be working for a graduate degree in Law or Engineering.

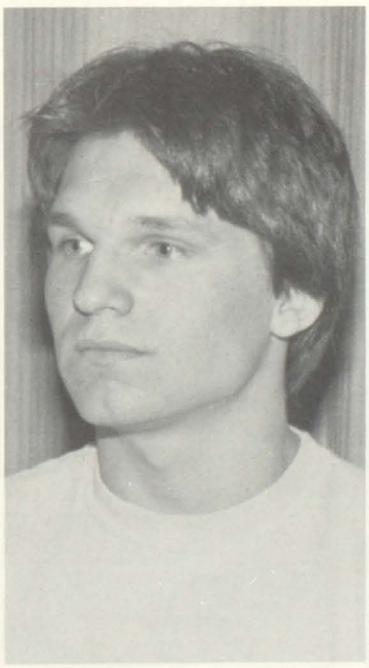
Paul Lewis:
I'll be acting like a fool and getting paid for it!



Steve Greenwood:
Hopefully, I will have graduated from the United States Merchant Marine Academy and have finished out my term of four years at sea with the Merchant Marines as a Second Lt. or better. I'll be married and probably living somewhere out West, away from the cities. Maybe in Nevada or the Mountains of Colorado.

Ronnie Turner:
I'd like to be in Hollywood working on my latest movie, either acting or directing, or both.

Buddy Gordy:
Well, I really don't know. But what I would like to be is a photographer for some magazine or newspaper.



Sherrie Emerson:
Hopefully ten years from now I will be established or on my way to a good career. It's hard to say exactly what career I'll pursue, but my preferences are dramatics and medicine. My main objective though, is to be happy with life and myself, whatever I'm doing!

STUDENT COUNCIL

The Student Council is the student government of James M. Bennett. Representatives from each homeroom attend monthly meetings to decide many of the activities throughout the school year. The Student Council sponsors activities which benefit the community as well as the school.

This year the J.M.B. Student Council was active in school projects and represented our school in regional student government. For the first time in ten years, Bennett was an active member of the ESASC (Eastern Shore Association of Student Councils) and the MASC (Maryland Association of Student Councils). Delegates to the Winter and Spring MASC conventions also represented J.M.B.

In school, the Student Council sponsored various activities such as the Homecoming Dance, Carnival Night, Class Competition Week, Sadie Hawkins Dance, Greaser Day Dance and Valentine Candy Sales. The Student Council Constitution was also revised and updated. Each class joined the Student Council in the purchase of a new amplifier and microphone for the gym. The year was full of productive activity and was a great learning experience for everyone involved.

Soccer

ON THE SHORE

Coach Terry Dix

IN THE STATE

The day we won the soccer state semi-finals, I started to feel like another "clipper" instead of feeling like a foreigner.

Nacho Bemejo

From the coach:

This past soccer season has been one of the most enjoyable and rewarding ones of my six seasons as head coach. The main highlight of the entire season was participating in the State Class B Finals. Previous to this season, the soccer team had advanced into the State Semi-Finals several times, but this was the first time in the history of the school that our *Clippers* made it to the Finals.

The team's unity was a major factor in advancing to the Finals. One of the best remembered games of the year was played on Nov. 8, 1980 when we soundly defeated Brooklyn Park High School by a score of 2-1. This sent us into the State Finals against defending champs — Oakland Mills High School. The squad's performance in that game was exceptional. Emotions ran high after the victory and it wasn't until afterwards that we all realized our great accomplishment.

The 1980 soccer season will be remembered by everyone as one of the most successful seasons ever at Bennett Senior High.

Tammy

The 1980-81 Field Hockey Team, led by Captains Tammy Davis and Susan Shupe and "Most Valuable Player" Tammy Hammond, experienced a rewarding season! Tying with Parkside High for first place in the Bayside Conference with 8 wins 2 losses, encouraged the team to go further, only losing to Easton by 1 point in the State Playoffs October 31, 1980.

Tammy Hammond was the leading scorer with 12 goals followed by Susan Shupe achieving 9 goals in assists.

J.M.B. was proudly represented on the All-Bayside Conference South Division team by Seniors Susan Owrutsky and Tammy Hammond, and Juniors, Beth Beauchamp and Ellyn Hogg.

Behind the scenes were Mrs. Joan B. Sprankle and Miss Mary Wilson. Mrs. Sprankle, a veteran Clipperette "Stick Slammer" did a fine job as coach and also proved to be a highly respected friend. Her first year coaching (as a replacement for Mrs. Brewington) left memories for her team and herself which would *not* be soon forgotten.

"This was my first coaching experience," stated Mrs. Sprankle . . . "it was very rewarding for me and if given the chance, I would do it all again!"

The 1980-81 Varsity Football team once again finished the season as City Champions with an impressive record of 7-2-1. The Clippers finished 2nd in both District and Bayside Conference competition. The team had many outstanding players, placing six on the All-Conference team. The Bayside first team included Grant Salter, Bruce Chandler and Chris Wilson. Vendell Brown, John Callahan, and Kevin Nieves made the Bayside 2nd team. Bennett also placed eleven on the All-City team. In addition to all of the All-Conference players, Joe Seagraves, Andy Franks, Mike McFarlin, Lybrant Robinson and Gary Flower made the All-City team. Chris Wilson was the only Clipper to make the All-City team on offense and defense. The highlights of this season included shutouts of Washington High, and Parkside plus the first win over Cambridge South Dorchester in years.

Senior Vendell Brown broke Wayne Keen's (79) record with 276 yards in pass receptions. Grant Salter, only a Junior, broke Chris Stephen's (74) rushing record with 1153 yards in one season and was named The Most Valuable Player in the City. . . . Improves Record

Although the 1980-81 Volleyball team did not post a winning record, Captains Kathy Haines and Karen Carlson lead the team to their best season in recent years. According to Coach Hoeck, "Players showed an intense interest in the game and displayed a willingness to learn and improve themselves as individuals and as a team." The team elected Karen Carlson the Most Valuable Senior.

A promising young J.V. squad brings hope of a winning season next year.

The 1980-81 Golf team had another winning year, finishing 3rd out of nine teams in the District 8-South while winning the County Championship.

This year's team was mostly composed of younger players who should carry on the winning Bennett tradition in the future.

MVP, Leslye Johnson, had an outstanding year. She scored the lowest round in a match at Green Hill and qualified for the state tournament at College Park to represent J.M.B. Leslye was one of only four girls in the entire state to qualify.

Coach Waller looks forward to another successful season next year.

1981 Bennett Girls' Track:

This 1981 team was the smallest team Mrs. Brewington has ever coached. But the lack of numbers evidently didn't daunt their enthusiasm. Ellyn Hogg took 5th in the state in 800 meters, and also 6th in the 1600 meters. Tammy Hammond was 6th in the state in the long jump, while Paulette Griffin, Krystal Miles, Carolyn Holiday, and Tammy Hammond were 5th in the state 800 meter relay. The team also placed 2nd in district meets. The following people from this year's squad now hold school records: Karen Tossey 63.7 in the 400 meter; Ellyn Hogg, 2:24.4 in the 800 meter; Ellyn Hogg, 5:32 in the 1600 meter; Kathryn Levitz in the 3200 meter; Karen Tossey, 2:28 in the 880 yard; Ellyn Hogg, 5:49 in the mile run; and Kathryn Levitz, 13:12.4 in the 2 mile run.

When I finished high school, I didn't want a job... I wanted a career.

I found Woodridge. They taught me new office skills, and improved the skills I already had. But more importantly, they gave me the confidence to go out and land the job I wanted.

Woodridge offers part-time and full time courses in the medical, legal, executive, and general secretarial fields. And you'll be out in the business world in less than a year. They'll even help you find the right job.

Call **(301) 749-3317** or write Woodridge School for Secretaries, P.O. Box 277, Elizabeth St. & Railroad Ave., Salisbury, MD 21801.
